

Galveston County Consolidated Drainage District

NOTICE

Give the circumstance of the coronavirus (COVID-19) outbreak, and recommendations of health officials to follow social distancing procedures, please note that seating in the District's general meeting room will be limited, as those in attendance will be required to maintain "social distancing" and sit six feet apart from one another.

If you would like to submit a public comment on a matter not set on the agenda, but also minimize attendance at the public meeting, you can email your comments to Kathy Grace, Administrative Manager (kgrace@gccdd.dst.tx.us). The written comments will be read by the Board President at the Citizens Comments section of the meeting. The written comments should be limited so that, when read, they meet the five minute comment limitation noted on the Agenda.

Regards

Joseph Anderson

Operations Manager
Galveston County Consolidated
Drainage District
